THE PERFECT VENUE

We have a selection of event spaces ideal for smaller or more intimate functions, plus our newly refurbished Ballroom caters for up to 250 guests seated with room for dancing, a kitchen for catering and more.

Our event spaces are flexible and versatile allowing for additional areas to host a pre dinner drinks reception and other activities in conjunction with the Ballroom.

The ideal option for larger events is to utilise the Aldenham room for a drinks reception followed by the main event taking place in our Ballroom.

In addition to our internal event spaces we have 36 acres of open outdoor space allowing for an alfresco drinks reception, beautiful photo opportunities and this also places us as the ideal venue if you are being creative and bringing in any larger activities for your event.

We are very proud to be flexible and work with you to meet your requirements, from how you use our space right through to outside caterers, furniture, games, decorations and production.

SOUND & LIGHTING

Metropolitan's function rooms have in-built sound and lighting, so if you choose our **"Dry Hire Package"**, you can book your favourite simcha DJ, and they can turn up with their decks and plug straight in.

Our recommended production partner '**Just Smile**' are well experienced in Jewish events, are located on-site and can be commissioned to make your event truly special.

If you need help finding the right DJ or advice on what entertainment is available, Just Smile will be happy to help.

JUSTSMILE[®]
