Whether you're planning a Bar or Bat Mitzvah, a personal milestone, or a special party, Metropolitan Bushey is the ideal venue!

We are conveniently located just off the M1 in leafy Hertfordshire and set in 36 acres of beautiful grounds. With four modern and versatile function rooms, including our largest room the Ballroom — which accommodates up to 250 seated guests with space for dancing and more — you'll have a true blank canvas to set the scene of the perfect Simcha.

To help to take care of the venue, production, catering, and planning, we offer tailored packages working with our handpicked, recommended suppliers with extensive experience in Jewish events, and who know our venue well or you can use your own caterers and our kitchen as part of our dry hire package.

PARTY PACKAGES

Celebrate in style with our all inclusive party packages, featuring exclusive hire of a room for your welcome drinks and the Ballroom for your main celebration. Every package includes professional production by Just Smile and expert event planning from Events by Natasha.
